

Long-Term Sustainability for Habitat Restoration

2016 Great Lakes AOC Conference

Session No. 2

March 2, 2016

Monitoring and Maintenance for GLRI Habitat Restoration Projects

- # Projects
- # Agencies
- ?????????? Approaches
- Need for Consistency

Important Considerations

- Sustainability Planning
- Development of a Monitoring and Maintenance Plan (MMP)
- Identifying of Entity Responsible for Implementing MMP
 - Legal Agreements
- Warranty and Establishment Period
- Implementation of Monitoring and Maintenance
 - Duration?

Important Considerations

- Agency Oversight of Monitoring and Maintenance
- Real Estate
- Funding
- Nature/Human Influences
